

SCOTCH FOURSOME Pinehurst Format . Stroke play, selected drives. The partners both drive from each tee, and then each plays a second shot with the other's ball. After the second shots, a choice is made regarding the ball with which the hole will be completed, alternate shots being continued. Allow 60% of the lower handicapped player's handicap plus 40% of the higher handicap player's handicap. There is no restriction on spread between players' handicaps. Members of the clubs at which the tournament is played have the option of playing at their own club and must so indicate on their entry.
